### Confirmation

We hereby confirm that we have had registered our sundepil® as Community Design No. 000906995-004 on April 1st, 2008. On April 2<sup>nd</sup>, 2008 we applied for German utility patent (DE 20 2008 004 594 U1). The Community Trade Mark Sundepil® had been registered on September 29, 2008.

Our sundepil® has been offered all over Europe and worldwide by us and our customers since April 2008. First demonstrations had been made occasionally exhibitions. Success of our product was overwhelming. Often it was best selling product of a fair or an exhibition. Therefore after a short time first copies of our product were on the market. In most cases they were offered under other names like Smoothlegs, Smooth Away etc.

We hereby ensure that we never supplied Messrs. Lamis Cosmetics directly. All rights regarding sundepil® packaging and original sundepil® promotion material (Videos, posters etc.) rest with us. We never allowed Messrs. Lamis Cosmetics to use them.

With best regards,

  
.....  
(Carsten Klotz, Sales Manager)
